

NATIONAL YOUNG SCIENTIST CONFERENCE 2026

PROPOSED TWO-DAY PROGRAMME STRUCTURE

For Review & Approval by the General Chair

Conference Theme: “Next Generation Technologies for Earth Observation, Mining Safety & Sustainable Development”

1. Programme Overview

The proposed two-day programme is designed to provide a balanced combination of research presentation, expert technical learning, student innovation, project demonstration and career development. The structure is intended to provide meaningful learning opportunities for young participants while maintaining a smooth and time-bound conference flow.

2. Day 1 – Research, Expert Knowledge & Project Showcase

Time	Session	Programme
8:00 AM – 10:00 AM	Inaugural Session	Opening Ceremony
10:00 AM – 11:45 AM	Research Session	Paper Presentation – I
11:45 AM – 12:00 PM	Break	Tea Break
12:00 PM – 1:00 PM	Expert Session	Technical Talk – I
1:00 PM – 2:00 PM	Break	Lunch Break
2:00 PM – 3:45 PM	Research Session	Paper Presentation – II
2:00 PM – 4:30 PM	Innovation & Exhibition	Project Exhibition
4:30 PM onwards	—	Day 1 Activities Conclude

Parallel Session Note: Paper Presentation – II and Project Exhibition are proposed to be conducted simultaneously at separate venues.

3. Day 2 – Innovation, Career & Expert Learning

Time	Session	Programme
8:00 AM – 9:45 AM	Research Session	Paper Presentation – III
8:00 AM – 1:00 PM	Student Innovation	Student Innovation & Idea Pitching
9:45 AM – 10:00 AM	Break	Tea Break
10:00 AM – 11:45 AM	Research Session	Paper Presentation – IV
11:45 AM – 12:00 PM	Break	Tea Break
12:00 PM – 1:00 PM	Career Development	Career Guidance Talk
1:00 PM – 2:00 PM	Break	Lunch Break
2:00 PM – 3:00 PM	Expert Session	Technical Talk – II
3:00 PM – 4:30 PM	Valedictory Session	Valedictory Ceremony & Awards

Parallel Session Note: Paper Presentation sessions and Student Innovation & Idea Pitching are proposed to be conducted simultaneously at separate venues during the morning.

4. Key Programme Components

Category	Planned Activity	Purpose
Inauguration	Opening Ceremony	Formal commencement of the conference
Research	Paper Presentations – 4 Sessions	Research dissemination and scientific communication
Expert Learning	Technical Talks – 2 Sessions	Exposure to expert knowledge, technology and practical applications
Student Innovation	Student Innovation & Idea Pitching	Encourage creative thinking and solution-oriented innovation
Project Showcase	Project Exhibition	Demonstration and interaction around student projects
Career Development	Career Guidance Talk	Awareness of career, research and higher-education pathways
Recognition	Valedictory Ceremony & Awards	Recognition of contributions and outstanding participants

5. Overall Programme Flow

DAY 1

Opening Ceremony → Research Presentations → Expert Technical Learning → Project Showcase

DAY 2

Research & Student Innovation → Career Guidance → Expert Technical Learning → Valedictory & Recognition

6. Planning Notes

- The programme is presented at a high level; detailed guidelines for individual activities will be maintained separately.
- Technical Talk and Career Guidance sessions will follow their approved session structure and speaker guidelines.
- Student Innovation & Idea Pitching will follow its separate rules, eligibility, submission, evaluation and disqualification guidelines.
- Project Exhibition will follow its separate participation and evaluation guidelines.
- Parallel activities should be assigned separate venues with dedicated coordinators and volunteers.

- Final venue allocation, number of participants, jury composition and detailed logistics may be finalized after approval of the programme framework.

7. Proposed for Approval

The above two-day programme structure is proposed for consideration and approval by the General Chair. Following approval, the organizing team may proceed with detailed session planning, speaker coordination, venue allocation, participant communication and operational arrangements.
